GOD'S GENERAL  
**Apostle Reno I. Johnson**  
Senior Pastor/ Founder  
Author

The Bahamas, North America and many other countries have been favored by God throughout the years to have had at their disposal powerful books written by insightful authors that have empowered our lives.

However, there are many war torn countries or countries that has suffered devastating blow after blow and our brothers and sisters living in these countries may not have been as fortunate or privileged to be exposed to resources that can bring about spiritual healing, cleansing and empowerment to their minds and spirit. Two countries in particular are Haiti and Africa.

My book, “**Lord Why?**” was written after a visitation I had from God. The season I was in was one of intense defeatism due to the crisis I experienced one after another. I experienced lack, hurt, let down and abandonment so overwhelming that it made me question God and the validity of His provision and promises for my life.

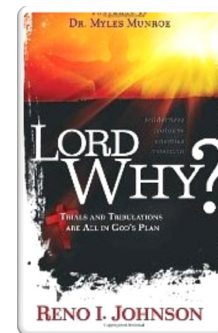

It was then that God revealed to me that His plan for each of our lives is strategically mapped out. No matter how bleak it looks or gets, we can have the assurance that He is in control and if we hang in there we will see the fruit of our toil and labor. So whether your suffering has affected the area of your life, spiritually, emotionally, economically, socially, and/or physically, know that this book was penned to meet whatever your need is. Blessings!

“Mission Empowerment; empowering the spirit man”, is a commitment that we at Apostle Reno Johnson Ministries Int’l has taken on to globally ignite, enhance and inflame the many souls living in the four corners of the earth with spiritual food to awaken their spirit man to hope and believe again. This type of restoration will bring healing and proper alignment in the natural and spiritual realms with the end result being found in **John 10:10**, “The thief cometh not, but for to steal, and to kill, and to destroy: **I am come that they might have life, and that they might have it more abundantly.**”

Allow God to touch your heart today. Help us send 50,000 “Lord Why?” books to reach one soul, to empower their spirit, one country at a time.
